EDUCATION

Indira Gandhi National Open University
Bachelor of Computer Applications

Delhi, India
July 2023 – June 2026

CERTIFICATIONS

Advance in Information Technology & System Management

Issued Dec 2022

EXPERIENCE

Front-End Development Intern

Cognifyz Technologies | Remote

January 2025 – February 2025

- Developed responsive and user-friendly web interfaces using **React.js** and **Bootstrap**.
- Created reusable UI components to enhance scalability and maintainability.
- Optimized frontend performance and ensured cross-browser compatibility.
- Gained hands-on experience with **Git/GitHub** for version control and deployed applications on **Vercel** and **Netlify**.

PROJECTS

Full-Stack Developer (Project-Based Experience)

Cafe Express- Restaurant Management System

May2025-Present

- Developed a modern, responsive single-page web application using **Laravel Blade templates**, **HTML**, **CSS**, and **Bootstrap** to deliver a seamless user interface.
- Utilized **Laravel Breeze** for frontend scaffolding and integrated **authentication features** such as login, registration, and logout.
- Built dynamic UI components for **Customer**, **Menu Items**, and **Order** management with clean layout and interactive controls.
- Implemented responsive design principles to ensure **mobile-friendly** access across all devices.
- Connected frontend components with **MySQL backend** via Laravel controllers and models, enabling real-time CRUD operations.
- Designed a **feature-rich dashboard** displaying analytics, real-time notifications, and restaurant insights.
